Dear Patricia,

I recently saw you were inducted into the American Association of Etiquette Professionals which encourages civility by providing continuing education to etiquette and cotillion professionals.

I am inspired by your commitment and dedication to the work you do and think your work is worthy of recognition. It is evident that you care about your community and the work that you do.

The hard work you have put into serving your community and your profession has not gone unnoticed. You continue to make us all so very proud and it is an honor to represent this house district and even more so, Iowans like yourself. Thank you again for being such a vital part of your community and best wishes for your future!

Best regards,
